Obreros por Mexico Mision Luke 10:2

Supporting churches, evangelists, and assisting students & children throughout Mexico.

*Taking the light and love of  
Jesus Christ.*

*Workers for Mexico* is an outgrowth of veteran Missionary Clinton Looney and was formed in 1995.

*The purpose* is to carry the gospel to the people of that country by supporting native evangelists as they establish and minister to congregations.

*The churches* rely on the mission for assistance in monthly salaries, as well as construction and special projects.

*The Mexican evangelists* are active in building the kingdom and planting new churches.
